# Save The Bears!

## Observation(s)

This week, the children have been very busy preparing for the "Save The Bears" bake sale. They have created lots of decorations for the classroom (e.g., panda bears, polar bears). They also carefully designed and wrote flyers to hang up around the school to help promote the bake sale. Students wrote their own announcements and read them to the entire school. They were very passionate to share their knowledge of why these bears are endangered and how we can help.
